- Terri Guillemets

April in Review

- Kindergarten: We used Seesaw where we reviewed musical opposites by playing games, practiced singing and moved our voices high and low!
- First Grade: On Seesaw, we heard Vivaldi's Spring and started Peter and the Wolf.
- Second Grade: We finished up some things we started back in the classroom, and started learning about different musical symbols.
- Third Grade: We have used Flipgrid to test for Recorder Karate belts!
- Fourth Grade: We continued our study of different instrument families, and learned about the String Family.
- Fifth Grade: We finished learning about Jazz & Blues and played Musical Baseball!
- Sixth Grade: We finished learning about the Romantic Era and moved to the Modern Era which includes movie music, pop music and musicals!
- Band & Chorus: We worked on our concert music on our own and shared on Flipgrid.
- Theater: We have practiced the material from Animal Antics in preparation for a virtual performance.
