

Music Quote of the Month:

“The music is not in the notes, but in the silence between.”

- Wolfgang Amadeus Mozart

October in Review

- Pre-K and Kindergarten: We continued our musical exploration with musical opposites - mostly fast and slow with a little bit of high and low too!
- First Grade: We started our journey of music literacy by learning to read rhythms for the first time and we're excited to learn more!
- Second Grade & Third Grade: After reviewing and learning about music notes and rests we've been creating music in fun ways. You can see two examples in the pictures below - using food to make rhythms and body percussion.
- Fourth Grade: We started our journey through the instrument families with the Percussion family - and we're excited to play some of them too!
- Fifth Grade: We finished up with the National Anthem and the music of our Armed Forces and now we're getting ready to start ukulele!
- Sixth Grade: After finishing up with our unit on Patriotic music, we started our journey through Music History with the Medieval Period.
