

Music Quote of the Month:

“That’s what good music does.
It speaks to you.
It changes you.”

- Hannah Harrington

February in Review

- Pre-K: We have been loving the Aiken Drum song! (See the pictures below.)
- Kindergarten: We reviewed all the musical opposites we have learned so far and are working on our last one - sharp (staccato) and smooth (legato).
- First Grade: We have continued practicing our rhythms and have been working on songs, games and activities involving trains to do so!
- Second Grade: We finished up with dynamics and got started on learning about sixteenth notes using songs and games.
- Third Grade: We learned a new rhythm, sixteenth notes, and have been enjoying practicing them in many ways, especially with Paw Paw Patch!
- Fourth Grade: We learned about the woodwind family and created our own “cup song” rhythms that we shared with one another in class.
- Fifth Grade: We learned about Spirituals by researching ones that appealed to us and sharing with our class. Next, we’ll explore jazz music.
- Sixth Grade: We explored the Classical Era by playing a 4-part Boomwhacker arrangement of Ode to Joy! Next, we’re onto the Romantic Era.
